BOYS' STATE

In June, 1962, eight Boys' Staters attended Boys' State on the campus of Northern State Teacher's College in Aberdeen. They underwent an intensive study of our National, State, and local governments, and gained firsthand experience in campaigns and elections. They will never forget the many friends gained and the rich experiences enjoyed at Boys' State.

GIRLS' STATE

Three girls were chosen to attend Girls' State held at Dakota Wesleyan University in Mitchell during June, 1962. Here the girls also learned about our governments. They spent an unforgettable week with other girls who had earned the privilege of attending. They brought back many memories that will always be cherished.
